\*\*SPECIAL MEETING\*\*  
Committee of the Whole Meeting Minutes  
August 17, 2021  
7:00 P.M.

Mayor Brust called the Special Committee of the Whole meeting to order at 7:02 p.m. Roll call was taken. Alderman Wesner, Pulley, Freund, Winter, Cravatta, and Holcomb were present. Alderman Stevenson and Lang were absent. Quorum present.

**NEW BUSINESS**

**DISCUSSION REGARDING PROPOSALS FOR RESIDENTIAL WASTE HAULING:** Mayor Brust began the discussion by stating that the purpose of the meeting was to look over the 4 current bids that the city has for residential waste hauling. City Administrator, Alyssa Seguss put together a power point defining each of the companies and what their proposals and costs are for the new contracts. Representatives for Waste Management and Lake Shore Recycling were present as well as Flood Brothers was present via Zoom. After an in depth discussion with questions from the council and answers being given by Waste Management and Flood Brothers some of the points the council talked about were:

- Billing for services to be moved to company instead of being on the city water bill
- No stickers
- Every other week of recycling vs every week (Waste Management stated that if the city decided to go to every other week recycling pick up a resident could request a second container at no additional cost to the resident and WM would pick up both)
- Flood Brothers stated that if a can was broken for user error it would possibly be a \$25 replacement fee
- Council was in agreement to keep “At Your Door” type of service

No final decision was made as of tonight, the city is going to hold a Public Forum to see if residents have any questions or concerns. A final decision would like to be completed by September 15, 2021 to give time for the contracts to be finalized and if a new company will be taking over to have time to get everything in place by November 1, 2021.

Motion made by Alderman Wesner to adjourn the Special Committee of the Whole meeting, seconded by Alderman Winter. Voice vote was taken. All voted yes. Motion carried. Meeting was adjourned at 8:15 p.m.
